

2016 PINOT GRIS VQA NIAGARA PENINSULA

The Winery:

Cornerstone Estate Winery is located in the heart of the beautiful Niagara Peninsula in Beamsville, Ontario. Family founded, owned, and operated since 2002, the winery produces premium quality wines using their own grapes. Currently the winery is focusing on limited productions, resulting in small batches of VQA certified wines. These batches consist of white and red wines, and offer a variety of others including their award-winning Port-style wine, as well as a selection of icewines, select late harvests, and fruit wines.

The Wine:

- Hand picked and hand sorted from reduced crop.
- Fermented and aged in stainless steel tanks.
- Yellow straw colour. Minimal contact with skins causes this wine to have a very light colour, compared to its 2013 sister. 750mL.
- Nose: honeysuckle, almond, and clove
- Palate: light bodied wine with flavours of Meyer lemon, pears, and a hint of sweet spice.
- Food pairings: This is our favourite wine to have with fish, shellfish, or sushi dishes. Avoid sweet or fruity dishes with this wine– but it pairs well with most finger foods. Great for parties! Enjoy today, or age until 2022.
